

“SIGNAL OF DISTRESS” / S.O.S.

Di-di-di, da-da-da, di-di-di,
Di-di-di, da-da-da, di-di-di,
Di-di-di, da-da-da, di-di-di,
Di-di-di, da-da-da, di-di-di.

Everybody's gone computer crazy;
Boy, it won't be long they'll be replacing
Man with machines that talk and can
think.

Everything is cold and calculating,
Far away from where love originated.
What can I do but reach out to you
By the impulse of love,
A computer-gram to you!

Chorus:
S.O.S.
[Di-di-di, da-da-da, di-di-di]
My signal of distress!
S.O.S.
[Di-di-di, da-da-da, di-di-di]
It's time that we confess
L.O.V.E.--love!
Can't live without you!

Di-di-di, da-da-da, di-di-di,
Di-di-di, da-da-da, di-di-di.

What machine can heal a heart that's
broken?
What machine can understand me?
What can I do when I am blue?
Send out a signal of love from me to
you!

[Repeat chorus]

Love has outlasted man's machines,
What's new today [what's new today]
Goes out of style [goes outta style].
Love may not make the World go 'round,
But it sure makes the trip worthwhile!

Di-di-di, da-da-da, di-di-di,
Di-di-di, da-da-da, di-di-di.

Everybody's gone computer crazy,
Far away from where love originated.
What can I do but reach out to you
By the impulse of love,
A computer-gram to you!

S.O.S.
[Di-di-di, da-da-da, di-di-di]
My signal of distress!
S.O.S.
[Di-di-di, da-da-da, di-di-di]
It's time that we confess
L.O.V.E.--love!
Can't live without you!

S.O.S.
[Di-di-di, da-da-da, di-di-di]
My signal of distress!
S.O.S.
[Di-di-di, da-da-da, di-di-di]
It's time that we confess
L.O.V.E. - love!
Can't live without you!

[Di-di-di, da-da-da, di-di-di]
My signal of distress!
[Di-di-di, da-da-da, di-di-di]
It's time that we confess L.O.V.E. - love!
